

Statesville Country Club was founded in 1944 when 150 citizens of Iredell County and surrounding areas formed a club off Salisbury Road. The original clubhouse was destroyed by fire in 1961. A small building was erected in Shannon Acres at the end of Deauville Road. In 1963 the present clubhouse, designed by the architectural firm of Adams and Pegram, was constructed by P.S. West Construction Company. The new spacious Club was officially opened in 1964. Undergoing multiple renovations and growth demands throughout the years, Statesville Country Club continues to maintain its facilities in order to offer the finest conceivable atmosphere and amenities in the Piedmont region.

The Clubhouse, with its wide variety of dining options, ranges from the relaxed casual to the ultra formal. In addition to our popular Lounge and Patio dining, Grill Room, Ballroom, Private Dining Room and Aquatic Center Pavilion Cafe, the club has several smaller private rooms for intimate parties and family gatherings.

Our expansive Ballroom and Private Dining Room are available for parties, weddings, charity affairs and private banquets. Our professional service staff and culinary team, including an executive chef and banquet director, are eager to assist members and guests

Statesville Country Club is rich with tradition that encompasses generations of members. A history and sense of community shines through each event that takes place here. Our staff is committed to ensuring that your event experience exceeds your expectations.

Please read through this banquet package and don't hesitate with any questions that you might have.

Thank you for your time and consideration.
